Purpose

To ensure school staff understand their supervision and yard duty responsibilities.

Scope

This policy applies to all teaching and non-teaching staff at Upper Yarra Secondary College including education support staff, casual relief teachers and visiting teachers.

Policy

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. **Supervision should be undertaken in a way that identifies and mitigates risks to child safety.**

Before and after school

Upper Yarra secondary College grounds are supervised by school staff from 8.20am until 3.40pm. Outside of these hours, school staff will not be available to supervise students.

Bus Duty times in the school bus loop at Riversdale Road are supervised from 8.20am until 8.40am and 3.05pm until 3.35pm.

Students who wish to attend school outside of these hours will be expected to attend the library which is open between 8.00am and 4.00pm hours, report to Homework Club available on Tuesday until 4.00pm or report to any specific extra-curricular activities.

Yard Duty

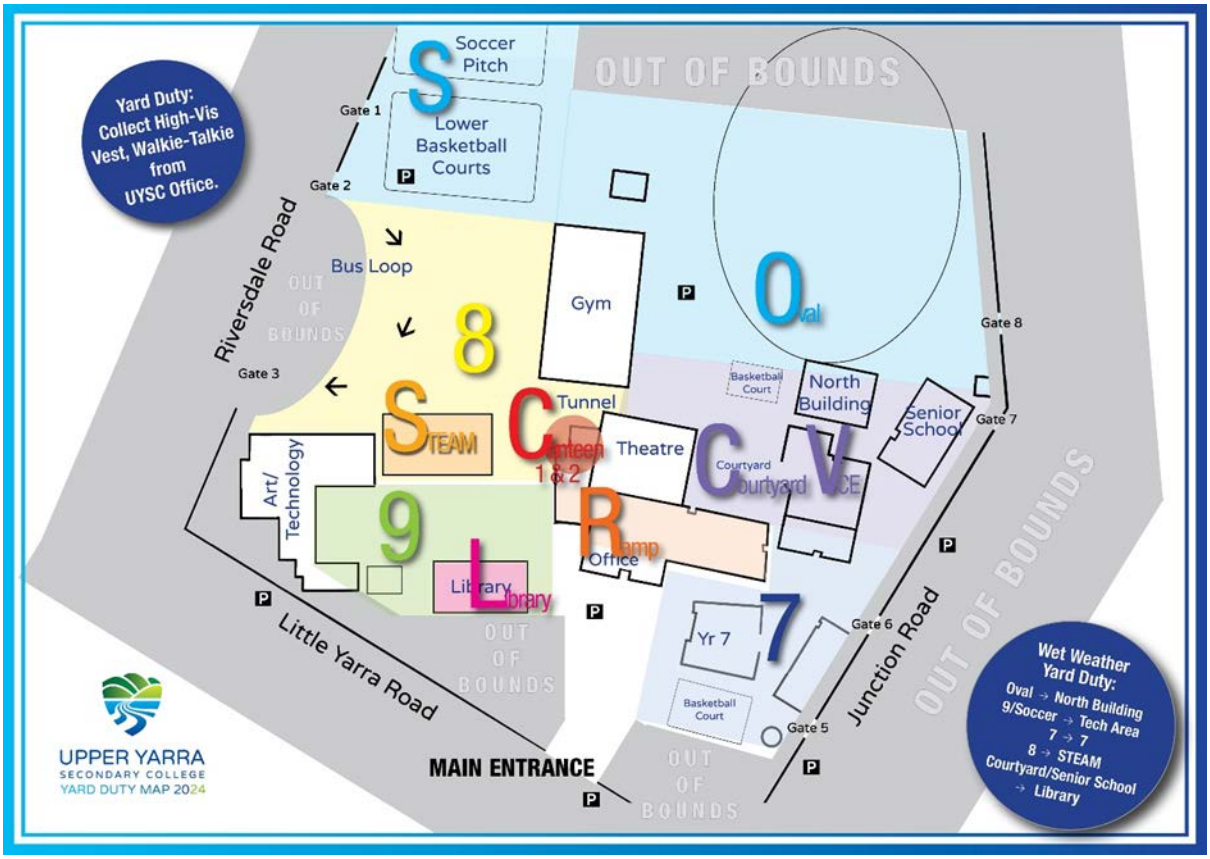
All staff at Upper Yarra Secondary College are expected to assist with yard duty supervision and will be included in the weekly supervision roster.

The Principal, Daily Organiser and Timetabler are responsible for preparing and communicating the yard duty roster on a regular basis. At Upper Yarra secondary College, school staff will be designated a specific yard duty area to supervise.

Yard Duty Zones

The designated yard duty areas for our school (as at insert date eg Term 4, 2024) are

Zone	Area
Zone O	Oval
Zone S	Soccer Pitch
Zone C	Canteen
Zone STE	STEAM Building
Zone CTY	Year 10 Courtyard
Zone V	VCE
Zone L	Library
Zone 7	Year 7
Zone 8	Year 8 Activities Area
Zone 9	Year 9 Courtyard



Yard Duty Equipment

School staff must:

- Wear a provided safety hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored in the Business Office.
- Carry a mobile phone for communication purposes.
- Be aware that there are yard duty first aid kits stored in Year Level offices.
- Be familiar with student health and safety information stored in the staffroom.
- Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard Duty Responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students at all times.
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass or if relevant, on EduSafe

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal or Daily Organiser with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal or Daily Organiser but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should call the Assistant Principal and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a child is asked to leave the classroom, staff must follow the removal from class process and remove the student to the relevant area, accompanied by another student or staff member.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact a member of the Principal team for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved and will follow the supervision requirements in the Department of Education and training Excursions Policy.

Digital Devices and Virtual Classroom

Upper Yarra Secondary College follows the Department's Cybersafety and Responsible Use of Technologies Policy with respect to supervision of students using digital devices.

Upper Yarra Secondary College will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in the library.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Workplace learning programs

When students are participating in workplace learning programs, such as work experience, school-based apprenticeships and traineeships, and structured workplace learning, the safety and welfare of the student is paramount. Organising staff are required to follow all applicable Department of Education and Training policies and guidelines in relation to off-site learning, including policy and guidelines on the safety and wellbeing of students. Refer to:

- Structure Workplace Learning
- School Based Apprenticeships and Traineeships
- Work Experience
- School Community Work

Independent Study

Year 12 students only will have one study block of three sessions per week. This will be timetabled as a formal Private Study. Students are to remain at school and study either in the Library or the Senior School study area.
